Vision

The goal of this Bible reading plan is to unite the congregation in a shared journey through the Word of God. We want to encourage one another to read the Bible regularly, deepen our understanding, and strengthen our relationship with God—both as individuals and as a community.

When we read the same passages at the same time, a common foundation is created for conversation, prayer, and encouragement. The Word becomes not only personal nourishment but also a shared experience that strengthens our unity. We believe that the Word of God is living and powerful, as stated in Hebrews 4:12, and that it transforms our lives when we open our hearts to it.

The theme of the month helps us dive deeper into the truths of Scripture and allows the Word to shape our mindset and our lives. At the center of our faith is Jesus Christ—who died and rose again to give us life, hope, and salvation.

Our hope is that this reading plan will be a tool that helps the congregation grow in faith, knowledge, and love, and that the Word of God will be a light on our path and the foundation of our community.

Theme – The Armor of God

The words in Ephesians 6:10–20 remind us that life is not only what meets the eye. The battle we face daily is often not against circumstances or people, but against fear, hopelessness, misconceptions, and everything that pulls us away from living in truth and love. Paul does not call us to fight in our own strength, but to be strong in the Lord and in His mighty power. There lies the key: we are not alone.

The armor of God is not a weapon of attack but of steadfastness. Truth keeps us standing upright when lies try to undermine our identity. Righteousness guards our hearts and reminds us that our worth is not based on performance but on grace. The peace proclaimed in the gospel enables us to take confident steps, even on uncertain paths.

The shield of faith is especially important in times when flaming arrows of doubt and anxiety fly at us from every direction. The helmet of salvation protects our minds and reminds us of a hope that reaches beyond the present moment. The sword of the Spirit, which is the Word of God, guides us when we do not know which way to go.

All of this, however, is wrapped in prayer. In prayer we connect to the source of strength. There we learn to stand, not in harshness, but in trust.
